

CASE STUDY

RESOLVE ATEX RATED MOBILE EXTRACTORS WITH STAINLESS STEEL CONTACT PARTS

ISSUE

Exeon were asked to provide a quotation for ATEX rated Mobile Extractors for a tipping process inside a factory. The factory was a food factory and the extractors were required to be fully stainless steel.

SOLUTION

Exeon provided bespoke Fully Stainless steel Mobile ATEX rated Dust extractors, fitted with Stainless Extraction arms, to allow for local Extraction at the filling hatches.

PROJECT VALUE
£42,000
